

FDOMES GLAMPING ACCESSORIES

Discover our line of optional accessories engineered to enhance your glamping experience. Choosing the right accessories allows comfortable year-round use in any location and climate.

Framework Options

In addition to the framework galvanization, a white powder coating further improves the visual appearance of your glamping dome.

Alum-Air Insulation

Advanced fibre-free, non-allergenic and non-irritant insulation system with tailored canvas headliner for improved interior design.

Polar Insulation

Polar insulation lets you cut your heating and cooling costs by up to 90 percent. Boost your profits by hosting guests all year.

Solar Fan

To assist passive ventilation system that comes with every dome, solar powered fan system further reduces heat build-up and a moisture condensation.

Entrance Choices

Space-efficient diamond door or a regular aluminium-glass door for extra safety. Both can be fitted in the dome structure positions.

Windows

Panoramic bay window, up to 5 porthole windows and a roof-placed skylight for more natural light, accessories slot and stargazing straight from a cosy bed.

Chimney Kit

150 mm diameter insulated chimney with a membrane mounting collar and an all weather cap is strongly advised if you wish to use a stove.

Wood Burning Stove Kit

Steel chimney kit + 8 kW (nominal) modern steel/iron wood burning stove with a ceramic combustion chamber and a steel base-plate.

Curtain Kit

Tailored fire-retardant Curtain Kit adds privacy to your dome, simultaneously insulating a front bay window of your glamping.

Membrane Colours

Various colour options to make your dome and its environment matching. Perfect solution for every site where the architecture needs to complement the surroundings.

Bathroom Module

A cleverly designed space with a shower, a washbasin and a toilet. Comfort has been addressed with a big mirror and smartly arranged cupboards, one of them additionally hiding a flow heater inside.

Kitchen Module

Sleek and modern design, equipped with a sink, an electric heating plate and a small fridge. Chic cabinets make room for appliances making this galley kitchen blend into a living space.

Bedroom Module

A show-stopping design, offering plenty of cupboard space for extra storage. A cozy and inviting bed facing the panoramic bay window makes the bedroom look and feel like a 5-star hotel.

Mezzanine Module

A small ladder leads up to additional functional space. It can serve as a second bedroom or a leisure room. Decide on a skylight window and flood the space with natural light during the day, and enjoy a private planetarium at night.
