

A-FRAME

A-FRAME CABIN

Experience unparalleled insulation, expansive living areas, and luxurious amenities. Introducing our innovative A-frame glamping solution, crafted to provide the epitome of outdoor indulgence, anywhere you desire.

A-Frame Structure

Elevate your glamping experience with our A-frame design, marrying elegance with unparalleled stability and durability. Perfect for year-round enjoyment, it's a stylish addition to any outdoor setting.

Expansive Glass Window

Embrace natural light and panoramic vistas in our glamping cottage, where a large terrace window beckons you outdoors, seamlessly blending the interior with the beauty of nature.

Expansive Interior Space

Whether crafting a personal retreat, family getaway, or business venture, our A-frame offers ample room for relaxation and rejuvenation despite its compact footprint. The lofty ceiling height further enhances the sense of spaciousness, while our modular additions—including a bathroom, kitchen, and loft bed—empower you to tailor the interior to your exact needs.

Vibrant Color Palette

Select from three captivating hues that harmonize with the environment, enhancing both the visual appeal and comfort of your glamping retreat.

Superior Insulation

Experience unparalleled warmth and comfort thanks to the premium finishing materials utilized in our product, ensuring exceptional insulation throughout.

Sheltered Wooden Terrace

Indulge in outdoor living year-round with our covered terrace, providing a charming refuge where guests can unwind, dine, or simply soak in the surroundings regardless of the weather conditions.

Convenient Bathroom Module

Integrate a prefabricated bathroom seamlessly into the interior, expediting the rental process. Skip the hassle of additional on-site work and start enjoying your space effortlessly.

Hospitality at its Core

Accommodating up to 8 guests, our A-frame provides versatile sleeping arrangements across three distinct spaces: the bedroom, loft bed, and main living area, fostering a welcoming atmosphere for all.

Compact yet Efficient

Nestled in meadows, mountains, or forests, our kitchen boasts functionality in any setting. Featuring an induction cooker, it enables you to prepare meals with ease, even in the most secluded locales, ensuring a seamless glamping experience.

Maximize Space

Optimize your A-frame with a loft bed. Tailor it to your preferences, whether for extra storage or an additional sleeping area, maximizing the functionality of your retreat.

Tailored Space

Personalize your glamping experience by selecting our interior modules or unleash your creativity to design the interior according to your unique vision and preferences.

Embark on your dream escape, whether it's a romantic rendezvous, a family expedition, a solo sojourn, or a glamping venture, with our brand-new A-Frame cottage. Fulfill your aspirations and create lasting memories amidst nature's embrace.
